

MAC ARTHUR HAD A SEVERE FIGHT

Brilliant Charge Made by South Dakota Men.

BATTLE TOOK PLACE YESTERDAY AFTERNOON.

Troops Led by Drost, Against Troops of Aguinaldo Which He Brought From Malos—Enemy Repulsed with Great Slaughter—Five Americans Killed and Twenty-Three Wounded—MacArthur Pushing On—Troops in Excellent Condition—Big Battle Probable Tomorrow Morning—For Gallantry, MacArthur Will Be Promoted.

Washington, March 28.—[Special]—The following was received from Gen. Otis this morning: MacArthur had a severe fight yesterday afternoon beyond Marilao.

A brilliant charge was made by South Dakota men, led by Drost, against the troops of Aguinaldo, which he brought from Malos. They repulsed the enemy with great slaughter. Adjutant Lyon, Lieutenant Adams and Morrison and four enlisted men of that regiment were killed. Lieutenant McClelland and twenty-two enlisted men were wounded. The loss yesterday was mostly confined to this regiment.

The partial destruction of the railroad, which is being rapidly repaired, impeded MacArthur's progress. Supply trains have now reached Marilao. MacArthur is pushing on. The troops are in excellent condition and spirits.

SENDS REPORTS TO WASHINGTON

An Explanation of the Death of Prince Loewenstein.

Washington, March 28.—[Special]—Gen. Otis this morning sent the following explanation of Prince Loewenstein's death: "Prince Loewenstein, with Watson's command, on the morning of the 15th took refreshments to the officers of the Second Oregon on the firing line. He was cautioned as to the danger, but advanced with the line when it charged the insurgent trenches. He was killed by the enemy, and a friend with him was wounded."

A report from Iloilo this morning says all is quiet there and additional California troops recently sent to Corrigio were received with a great show of gladness.

Washington, March 28.—[Special]—As a result of his gallantry and judicious management of the campaign against the Filipinos, the war department has determined to appoint MacArthur, now a major general of the volunteers, brigadier general in the regular army.

Washington, March 28.—[Special]—Gen. Otis wired a full list of casualties in yesterday's engagement this afternoon. It shows thirteen Americans killed and sixty-five wounded. The South Dakota regiment suffered severely, nine men being killed.

NINETY INSURGENTS WERE KILLED

One Hundred Captured in Fight at Marilao Yesterday.

Manila, March 28.—[Special]—MacArthur's advance today was small. His troops marched two miles when a halt was called at the river, where the enemy burned the bridges behind them. MacArthur decided to bivouac and await pontoon bridges and supplies before crossing the river.

The enemy, who are plainly in sight, are being largely reinforced to the north. They are digging trenches and evidently have decided to make another stand before retreating to Malos. This will probably delay the capture of Malos a day or two.

In the fight at Marilao yesterday ninety insurgents were killed and one hundred captured.

ADVANCE TOWARD MALOOS.

MacArthur's Men Press Forward With Renewed Vigor.

Manila, March 28.—[Special]—Gen. MacArthur's division took up their advance from Marilao toward Malos this morning, the immediate objective point being Bocaue, five miles north Marilao. The men took up the advance today with renewed vigor and in prime condition for the final conflict at Malos.

A big battle will probably begin tomorrow night.

A hospital train reached Manila this morning with ten killed and sixty-two wounded.

Washington, March 28.—It is evident that hot fighting is in progress in the Philippines. The feeling here is that Otis will not be denied, and that the rebels will soon be crushed. The following dispatch indicating the condition of affairs was received Monday from the commanding general:

They left nearly 100 dead on field and many prisoners and small arms were captured. The column will press on in the morning.

Manila, March 28.—The armed gunboat Laguna de Bay attacked the insurgents at Bulacan. Three Americans were wounded.

MacArthur's division has crossed the Marilao river on a pontoon bridge and is now advancing northward. Fighting is expected this afternoon.

The insurgents attacked the Americans last evening at Marilao, but were repulsed with severe loss. Our loss was five killed and fourteen wounded. Later, Garcia, a native general, came down from Dagupan by train with 1,000 riflemen and 4,000 bolo men and took positions at Marilao. A river was between the American and insurgent forces.

The South Dakota volunteers and the Third artillery were thrown forward. The South Dakota charged brilliantly across an open space on the east of the railway to the edge of some woods. They lost ten killed and eleven wounded, including three lieutenants.

The Third artillery, on the right of the railroad, charged and lost nine men wounded, two mortally.

Marilao was taken with sixteen prisoners.

On the left the insurgents, in a trench east of the river, offered a stubborn resistance. Lieut. Critchlow, with ten guns of the Utah battery, and Lieut. Davis, with a navy Colt gun, forced thirty insurgents in a long trench on the opposite side of the river to surrender at the close quarters of 100 yards.

The rest of the insurgents got out with severe loss. Yesterday we counted ninety insurgents dead.

Made a Stand at Marilao.

Manila, March 28.—A thousand Filipinos, composing the rear guard of the rebel army, which is retreating on Malolos, Aguinaldo's headquarters, made a stand Monday in some strong intrenchments about Marilao, across the Marilao river. In the engagement six Americans were killed, including three officers, and forty wounded.

The rebels had an unforgivable river in front of them, and they poured in a fire so effective that it showed that they were veterans, probably members of the native militia which the Spaniards organized.

The American artillery put a dramatic end to the battle. Approaching under cover of the bushes to about sixty yards from the trenches, the artillerymen emerged upon an open space commanding the town. When the Americans appeared they gave a great yell, and the Filipinos were panic-stricken, about a hundred seeking safety in flight, while a white flag was raised by those who were in the trenches, who also shouted, "Amigos" (friends).

Col. Funston, with twenty men of the Kansas regiment, swam across the river to the left of the railroad bridge and captured eighty prisoners, with all their arms. The Pennsylvania regiment captured forty prisoners.

By this time the right of the Filipinos was demoralized.

The Americans refrained from burning the town, and are resting there. Gen. Otis' brigade is crossing the frame-work bridge, Gen. Hale's brigade remaining on the south bank of the river.

The United States Philippine commission proposes to issue a proclamation immediately after the rebel government at Malolos is dispersed, believing that the most effective moment to secure the allegiance of the natives will be after they have received an object lesson of the Americans' power.

War Department Is Satisfied.

Washington, March 28.—Satisfaction is expressed at the war department with the situation in the Philippines. It is said the dispatches of Gen. Otis and the press reports show that the column is pressing steadily forward, and that the troops are vigorously in earnest and in good condition. The belief is expressed that the insurgents will soon get tired of being constantly fought, defeated and driven back with loss. Great confidence is expressed in the ability of Gen. Otis to finish the war because of his determination to give the forces of Aguinaldo no rest.

Positions of American Fleet.

Washington, March 28.—Admiral Dewey has cabled the navy department the situation and positions of the American vessels of his fleet. The dispatch follows:

Manila, March 27.—Secretary of the Navy, Washington: The Olympia and the Oregon, the Monadnock and Monterey, Callao, Manila and the Helena occupying strategic positions at Manila Bay. The Boston and the Charleston, the Concord and the Petrel cruising in the islands to the south. The Baltimore and the Yorktown cruising off Luzon. Have sent the Bennington to Hong-Kong to dock. The Princeton is at Singapore, repairing; propeller is broken. The Nansha has gone to Guam. The Iris will sail shortly for Iloilo with coal. Will dispatch the Solace as early as possible.

DEWEY.

Minnesota Men Mustered Out. Augusta, Ga., March 28.—The Fifteenth Minnesota regiment was mustered out here Monday without special incident. The troops left in three sections over the Georgia railroad. The men were orderly.

CELEBRATE THEIR GOLDEN WEDDING

BENJAMIN HILT AND WIFE WEDDED FIFTY YEARS.

At Masonic Hall This Evening Local Secret Societies Will Give This Venerable Couple a Royal Banquet—Both Are Now Enjoying Good Health—Many Years Janitor.

Fifty years ago today, Mr. and Mrs. Benjamin Hilt, of this city, were joined in the holy bonds of matrimony. At their South Third street home today they quietly observed their golden wedding anniversary by the receiving of a number of friends who called to extend congratulations.

This evening at Masonic hall, this most sacred of wedding anniversaries will be duly observed in the nature of a banquet to be participated in by only members of the following orders: Masons, Order Eastern Star, W. H. Sargent Post G. A. R., Woman's Relief Corps, Odd Fellows and Daughters of Rebekah. The festivities will begin at 7 o'clock sharp.

A most tempting repast will be in order and a program that promises to be of much interest has been mapped out.

The happy couple were joined in the holy bonds of matrimony on the 28th day of March, 1849, the bride being only nineteen years of age and the groom nineteen. Six years after their marriage, they came to Wisconsin, locating in this city, where they have since resided.

Their union was blessed by eight children, four of whom have closed their eyes to things material and crossed the river to the unknown beyond. Those living are four daughters as follows: Mrs. George F. Ratcliff, Milwaukee; Mary E. Duebler, Chicago; Emma E. Lancaster, Chicago; Fannie Grayman, Milwaukee.

Mr. Hilt is an iron moulder by trade, but the hardships of army life forced him to abandon this occupation. For the past twenty-seven years he has been janitor of the Jefferson school, which was at one time the old high school. Mr. Hilt has performed the duties of his position through two generations. He is a prominent member of W. H. Sargent Post No. 20, G. A. R., also of the Masons and I. O. O. F. STOOD BY M'KINLEY ON HIS WAR RECORD

THE REV. T. DE WITT PEAKE STIRRED BELOIT.

His Utterances Were Strong—Former Janesville Pastor Compared Nation's Executive with Washington and Lincoln—Detractors Will Fail in Their Efforts at Calumny.

Beloit, March 28.—Rev. T. De Witt Peake, formerly of Janesville, stirred Beloit by his address on McKinley. He took for his topic, "Was This War a Farce? Is McKinley a Fool or a Knave?" He handled the subject without gloves, saying in part:

"Some belated critics, late editions of Rip Van Winkle, declare that our soldiers were all brave and their officers cowards; that our privates were all wise and their commanders all fools. Even the commander-in-chief of the army and navy has been called a fool or a knave. Is McKinley a knave? This nation calls him a hero and a prince among a nation of princes. The world says he is a statesman, a gentleman and a Christian—the deliverer of the oppressed alien."

"Our Washington delivered the white American citizen from chains and oppression and a nation was born. Our Lincoln delivered the black American citizen from chains and a nation was regenerated. Our McKinley delivered the mixed man, the midgen man, the man without a home or a country, from the oppressor's hand and a nation was glorified. Our Washington, Lincoln and McKinley stand on the summit of Fame's monument and the world will place Kinsley a little higher than Washington or Lincoln where the slush of calumny can never soil his robes."

INJURIOUS CIGARETTES.

Two Cases That Show the Danger of the Paper Pipes.

One of the gravest facts relating to the harmfulness of cigarette smoking to excess is one that has lately come to light. In two distinct cases, recently related, with initials and dates, by Dr. Forbes Winslow, it was necessary to apply leeches to persistent cigarette smokers. To the no small surprise of the doctors respectively in attendance; both the leeches—they are creatures of very strong vitality—presently released their hold and were observed to drop dead. So notable was this fact that the experiment was tried of applying leeches to other patients who were then under treatment for excessive cigarette smoking, and in every case the leeches died almost instantly. Distinct traces of the dangerous embpyreumatic oil that is given off by tobacco under certain conditions were found in the leeches. The same experiment was tried with excessive pipe smokers, with no apparent injury to the leeches.

GAVE EXCELLENT LECTURE

Rev. R. C. Denison Talked Last Evening of Westminster Abbey.

In the Sunday School rooms of the Congregational church last evening, Rev. Robert C. Denison delivered a most interesting lecture, taking for his subject, "Westminster Abbey." His lecture was illustrated with lantern pictures and was given for the benefit of the church library fund.

Every available seat was occupied, the admission fee being placed at 10 cents.

From the very outset till the end, Rev. Denison commanded the closest of attention and at no time during his hour and a half lecture was there as much as a single dull moment. Rev. Denison took his lecturers first in front and then around the outside of this most wonderful of sacred edifices, which is located in the heart of the business section of London. His views and description of its interior was most inspiring.

Women's Skulls the Cheaper.

A medical student is authority for the statement that women's skulls command a much lower price than those of men. "It is possible," he says, "to obtain the skull of a woman for \$1.50, while that of a man cannot be had for less than \$2. The reason why? Well, a woman's skull, as a rule, is considerably smaller than a man's. It is said to be imperfectly developed; it is an inferior specimen of the article, and altogether less useful to science; hence its lower market value."

MUCH INTEREST IN CLINTON POLITICS

TWO TICKETS TO BE PLACED IN NOMINATION.

Stylized as the "Temperance" and "Village" tickets—Both Caucuses Will Be Held Next Friday Evening at the Same Hour—Citizens' Bank Carries Insurance Against Robbery

Clinton, March 28.—Interest in village politics increases as election day approaches. There will be two tickets nominated—the temperance and the village ticket. Both caucuses will be held on Friday evening at the same hour, something unusual here, and planned by the temperance people, who are evidently determined that each voter attending caucuses this year shall "show his colors." The voters of the town will vote at the coming election on the matter of paying highway taxes with money or by work. The Citizens Bank of this place is now carrying insurance against robbery, and merchants who have burglar proof safes deem it policy now to deposit entirely with the bank. The building has also been made more secure by the addition of fire proof improvements. Our schools closed last Friday for vacation. We hear many words of praise spoken of the work that is being done by the teachers this year. The hour of the evening service at the different churches will be changed next Sunday to 7:30. The usual preparations for Easter are being made. Palm Sunday was duly observed at the German church. A class of twelve or fifteen was confirmed. Rev. William Moore returned Saturday, from his trip to Alabama, where he spent three weeks at Fruithurst and vicinity. He is greatly pleased with the place, which is settled with colonists from the north. Fruithurst has a fine, healthy climate, and it is claimed, produces grapes in large quantities and many other fruits of a quality far superior to those grown in the north. It is said there is a good opening for persons with moderate means, to engage in fruit culture. V. C. Little and wife, who are at Fruithurst on a visit, are so taken with the place that they have decided to remain for a year or more. A camp of Royal Neighbors was organized here last Friday evening by Mrs. Child of Hanover. Twenty-eight charter members compose the organization, and regular meetings will occur the first and third Tuesdays in each month. The officers are as follows: Mrs. Gertrude Botzer, orator; Mrs. Flora Griswold, vice orator; Mrs. Hattie Bagley, recorder; Mrs. William Thom, receiver; Mrs. Mary Kinyon, chancellor; Mrs. May Noble, Marshal; Mrs. Mary Rogers, assistant marshal; William Botzer, physician; Mrs. Susie Watts, inner sentinel; Jennie Rader, outer sentinel. The following board of managers were elected: Mrs. William Thom, two years; Mrs. Hattie Merrill, three years; Mrs. Sarah Tuttle, past orator; Anna Northway, Faith; Jennie McGregor, Courage; Iva Kenyon, Modesty; Jennie Rader, Unselfishness; Alice Giles, Endurance; Albert Goodsell, our popular under taker, had a birthday last week. This fact in connection with the visit of a sister and brother was responsible for the very pleasant gatherings at M. P. Treat's on Tuesday and Thursday evenings, when invited guests assembled to do honor and enjoy the elegant repasts provided for the occasion. Miss Helen Edwards and Miss Ethel Pangborn are home from Beloit college to spend vacation. Misses Libbie and Vera Wilcox are here from Janesville for a visit with friends. O. Harden and daughter Grace have returned from their lengthy visit in Chicago. We are pleased to note that Mr. Harden is looking well and has in a large measure recovered his health. Walter Hinman was here recently to visit his parents. George Rogers visited his brother Fred's family in Janesville last week. His mother accompanied him. George Tuttle's health is not good at present. Mrs. Lamphere, a lady of advanced age, suffered a stroke of paralysis recently. Miss Grace Murray's school at Somerville opened again Monday, after a short vacation. C. L. L. Hanson has been on the sick list lately. Miss Minnie Goodsell, of Freeport, has been the guest of her aunt, Mrs. M. P. Treat, the past week.

SOCIAL EVENTS AT LA PRAIRIE

Profitable Meeting of the L. M. B. S.—Two Pleasant Parties

La Prairie, March 28.—The L. M. B. S. meeting at the home of Mr. and Mrs. H. Finch was well attended and highly enjoyed by all. After partaking of a dinner "fit for a king," a very interesting meeting was held. The question box was full of important questions that were discussed with an ability that would do credit to any society. This will be the last meeting till May, when it is hoped the roads and weather will be more pleasant. The many friends of Mr. and Mrs. U. E. Gleason very pleasantly surprised them last Tuesday evening, it being the tenth anniversary of their marriage. The evening was spent in social games. Dainty refreshments were served in a way very appropriate for a tin wedding, and at a proper hour the guests departed wishing the host and hostess many happy returns of the day. The spread that was given at the Grange hall for Grangers only, was enjoyed by all present. The first prize on chicken pie was won by Mrs. S. H. Joiner; second, by Mrs. H. Lloyd; on doughnuts, first, Will Morton; second, Will Harvey. The gentlemen refuse to say whether the exhibitions were the work of the exhibitors or not. A number of our young people attended the party given at the city home of Mr. and Mrs. H. Paul last Thursday evening and report a fine time indeed. Mr. and Mrs. Paul were not long since resi-

dents of this town and did not forget their country friends when they gave a party in the city. A company composed of Ed Paul, Henry Case, Harry McArthur and Nick Schenck went north last week for the purpose of securing for this summer. Nick returned with a man a dog, and the others with what proved to be worthless promises. Wood sawing will be in order on the road this week. The Hanlon auction passed off very agreeably. Hans Raymond discharged his duties as auctioneer in a very capable manner. T. Read delivered some fine fat cattle last Saturday. Mrs. Darby Corn is gaining very slowly. Mr. Capman has moved from the Haviland farm to a place nearer the city. At the next grange meeting the subject of tuberculosis will be discussed by a very able speaker. A company of young people enjoyed a gramophone entertainment at the home of Mr. and Mrs. C. H. Wright one evening last week. Mrs. S. S. Hart is the guest of her daughter, Mrs. Charles Yeomans. Mr. Conroy is suffering with inflammatory rheumatism.

GOOD ENTERTAINMENT AT AFTON

Given Last Friday Evening By the Royal Neighbors.

Afton, March 28.—The entertainment given by the Royal Neighbors at Lawton's hall last Friday evening, was well attended and the pieces spoken were received with much enthusiasm. The supper did much credit to the ladies of the order and all went away feeling that they had spent a very enjoyable evening. Master Frank Powers is able to be out on the streets once more. He thinks he will not try to jump on a moving freight train again. Afton school closed for one week's vacation. After April 1st, church services will begin a half hour later. Y. P. S. C. E. at 7:30, preaching at 8. Superintendent David Thorne is on the sick list. Operator Matthews will move to Caledonia, Wednesday. Albert Nehls, now living in Mrs. Waterman's house, will occupy the house vacated by Mr. Matthews. Miss Mary E. Scott is home from Cherry Valley, Ill., having closed her school for a week's vacation. Mrs. Mary Waterman, who has been sick with the grip, is improving.

Howard, who has been in Evansville, the past four weeks, returned to her home here last Thursday. Sarah Venable, of Janesville, is spending her vacation with her cousin, Tillie Acheson. Elder Christian, of Footville, filled the M. E. pulpit here last Sunday afternoon. He is an interesting speaker. Mr. and Mrs. Nell Chipman, of Footville, were in town Sunday, the guests of Mr. and Mrs. Lucius Andrew. A sister of Mrs. Andrew, who resides in Dakota, is spending the winter here.

MISSIONARY RALLY AT FOOTVILLE

Rev. W. A. Hall To Be Present—Real Estate on the Boom.

Footville, March 28.—The missionary rally at the M. E. church Friday afternoon and evening will be well worth your presence. Those wishing to hear from the foreign missionary field will have an opportunity to hear well presented addresses on Africa, China, Japan, India, and our newly acquired territory, will be handled by Rev. Raulins, of Evansville; Rev. W. A. Hall, Janesville; Rev. Dawson, of Richmond; Rev. Stone, of Orfordville; also, by the pastor. These addresses have had careful study, and will be worth dollars to everyone who wishes to acquire knowledge. You will all find a royal welcome. Everything is free. The W. F. M. S. of the church will serve tea at the parsonage, so that those who come in the afternoon can be served without going home between the afternoon and evening services. The ladies extend a cordial invitation to everyone to stay to tea. It is hoped that the church may be well filled. In the list of awards made for the best work in the university agricultural department, we find some names familiar to our readers. The Scribner silver medal, value \$10, given to the second year student showing the greatest proficiency in judging Jersey cattle was awarded to A. J. Lassell, of Orfordville. We are glad to see real estate on the boom in our village. Several transfers are about to be made here and the prospect of three or more new houses to be built this summer.

Boub's.
ALE THAT IS HEALTHFUL
The main difference between good and bad Ale is in the after effects—not the taste. You discover part of that difference. You notice for one thing that pure all Boub's ale doesn't make you bilious. But the main difference goes unnoticed.
Pure Ale is Good
for you; bad ale is unhealthy. Either effect is so gradual you do not know what caused them. Two things are certain: First, pure ale is the right ale—purity is more important than you think. Second, Boub's Ale is pure Ale. People who drink it say it is far ahead of any and equal to famous Bass Ale. Case 2 dozen pints delivered, \$2.00.

THREE MISSING AT A FIRE.

Small Plant of the Armour Company Destroyed at Chicago.

FOUR EMPLOYEES INJURED.

Wild Scramble for the Iron Fire Escapes and the Elevators—Loss on Building and Contents Estimated at \$250,000—Names of the Victims.

Chicago, March 28.—The five-story brick structure of the Armour Cured Hair and Felt company, at Thirty-second street and James avenue, was destroyed by fire Monday afternoon, with all its contents. The loss will reach \$250,000, covered fully by insurance. Many of the employees had narrow escapes from death. A number were badly hurt and three are missing.

The missing: FLANNIGAN, JAMES, SHEAHAN, spinner, employed on fourth floor.

FOREWOMAN, employed on fourth floor, name not ascertained.

Those injured in the fire are: Steele, Garry, jumped from fourth floor into firemen's net; ankle sprained and head injured.

Kuda, James, both arms burned to the elbow, face and neck burned.

Roschier, Paul, both hands burned, left side of face scorched.

Lee, Harry, fell from second-story window, was either pushed or crowded out; scalp wound in back of head; left instep slightly injured.

There were several other employees who were slightly burned, but whose injuries were hardly noticeable.

The building covered fully a half block. When the blaze was discovered 150 employees were at work. It started in the third story. Supt. L. C. Haughey said he did not know how the blaze originated and his subordinates in the office were no wiser. Employees in the building say it started in the picking-room.

It was about 3 o'clock when the alarm was given. The employees tumbled over each other in their haste to get out and some women fainted. There were four fire escapes, two on the south side of the building and two on the north. The stairways, lined with fire-proof brick and the four fire escapes were in instant demand, and men, women and children scurried down them to safety. There were two elevators in the building. One dropped, but, fortunately, no one was in it. The other carried one load down and then had to be abandoned, so fast did the fire spread.

Fire Chief Swenke was early on hand, and within a comparatively short time he had twenty-five engines, two fire boats, 250 firemen, and over fifty streams of water playing on the fire under his direction. At 5:30 o'clock the men had the fire under control, although it burned for hours afterward.

The building was insured for \$150,000 and the contents were insured for an equal amount. There will be no salvage, everything being destroyed. The loss on the building will reach \$100,000, which, with the contents, valued at \$150,000, will make a loss of \$250,000.

McCoy Must Take a Rest.

New York, March 28.—"Kid" McCoy and Tom Sharkey may not meet again for many months. William A. Brady and Tom O'Rourke, managers of the pugilists, met here Monday, and the former announced that McCoy had injured his shoulder in his recent fight with Choyinski. Later, however, he received a dispatch from McCoy, saying the fighter's physician had ordered him to go to the mountains at once, and not attempt to do any work for three or four months.

Winter Wheat Injured.

Springfield, Mass., March 28.—The New England Homestead has compiled a special report from information received from correspondents in the entire wheat belt of the country, which shows that the winter has been most severe in the whole territory usually devoted to wheat. The feeling among wheat growers is that the crop as a whole can now hardly recover its normal vigor, although it is far from a failure as yet.

DOM PAUL MUST GIVE IN.

British Feeling Against the South African Republic is High.

London, March 28.—The topic of the day is the petition signed last Friday by the Citizens in Johannesburg, which is curiously coincident with President Kruger's assurance there is no dissatisfaction in the Transvaal.

Public opinion is extraordinarily strong against the Boers. One saving clause in their favor, as the Pall Mall Gazette points out, is the fact President Kruger is 74 years old, and therefore cannot, in the course of nature, live much longer to oppose the righteous claims of British subjects in the Transvaal.

The time of penance for the famous raid has now worn off. The British colonial office, whose hands were so long tied by that fiasco, can now freely espouse the cause of the Uitlanders even to the verge of war.

President Kruger has done absolutely nothing since the Jameson raid to strengthen his position by a policy of conciliation.

RACE CLASH IN ALABAMA.

Extra Pay Question Decided.

Washington, March 28.—In answer to a letter from the paymaster-general of the army, requesting a decision as to the class of enlisted men of the regular army entitled to the benefits of extra pay on discharge from the army, Comptroller Tracewell of the treasury has decided that the men who enlisted for the war only and are entitled to extra pay are those who went in after the act of April 26, 1898, which authorized the increase of the regular army.

V. P. RICHARDSON'S POLITICS

Victor P. Richardson, the republican candidate for mayor was once a democrat, but when he realized "the error of his ways" he made prompt acknowledgment of the fact, and since then has been a republican. Some men might have kept silent, masqueraded as republicans, but voted with the democrats. Victor P. Richardson was not of this stripe. He came out squarely, showed his colors, and announced his change of belief, and everyone will admire his manliness in announcing his change of heart. And when democracy ceased to represent his ideas of political parties, he was equally frank, and said, "Democratic principles, I find, are not to my satisfaction, and henceforth I am a republican."

The man who will not admit that he is wrong when he knows that he is, cannot be trusted, but the man who acknowledges his error is a safe man to tie to.

Thousands of democrats have joined the republican party during the past three years, having realized that republicanism represents the best principles of government. Mr. Richardson has been a republican since the first symptom of free liberalism in the democratic ranks, and has not changed his politics simply in the hope of getting an office. He represents republican principles in the fullest sense, and argued for those principles in the last presidential campaign. Mr. Richardson's political record is open to all. He has done nothing under cover. Of republican training from boyhood, he clung to that faith until he saw a faith more ideal. When he realized his error he manfully acknowledged it, and "returned to his first love." He had no false pride about the matter, and attempted no concealment. And in anything he does, he will show the same spirit of manliness. Mr. Richardson will dodge no responsibility. He will always be found upon one side or the other of all municipal questions. If he makes a mistake he will admit it, and make amends. When he thinks he is right, he will stand for his belief. Men of this character always command respect, and make fearless and capable officials, and Mr. Richardson will not be an exception to the rule.

PRAISE WELL GIVEN

In the signed statement, published in The Recorder Sunday morning, Democratic Candidate for Mayor John Thoroughgood says:
"Mr. Burnham has always been a valuable man in the council, always in his seat at the council meetings, and I am pleased to speak a good word for him, etc."
We wish to call the attention of the voters, "irrespective of party," to the fact that S. C. Burnham, the man the democratic candidate for mayor is "pleased to say a good word for," is the republican candidate for school commissioner-at-large. The democratic candi-

date for mayor speaks wisely in recommending Mr. Burnham to the democrats to whom his published address was directed. Mr. Burnham is in every way entitled to the praise, and the wise voter will see to it that the city will be served by electing him a member of the school board.

THE ALDERMANIC TICKET

The republican aldermanic candidates are well known men, and the people have the fullest confidence in them. Walter S. Rice, of the First ward, has served the people faithfully, and well during the past two years. W. B. Stoddard of the Second ward has had two years experience in the council. H. S. Gilkey, of the Third ward, was the unanimous choice of his party, and was nominated by acclamation. He also has had two years experience. W. H. H. MacLone, of the Fourth ward, has never served in the council, but everyone knows that he would make an excellent alderman. C. M. Warren, of the Fifth ward, is one of the best known and most popular railroad men in the city and would make a splendid official. All five are known to be men of integrity and ability, and they should be elected, every one of them.

No man in Janesville stands better in the public estimation than Nicholas Frederick. He is a man of his word, and as everyone knows, cannot be criticized in any way. His efforts and his purse have always been at the command of those in need. He is now asking the votes of the people for the office of street commissioner, a position that all will admit that he is qualified to fill. To elect him would be to recognize honesty, personal worth, and services rendered people and the city, and he should be elected.

When ex-Mayor Baines was in office, he appointed Victor P. Richardson a member of the fire and police commission. That the appointment was an excellent one, has been plainly shown, and the public service has in no way been injured by the fact that the police and fire departments have been managed by a board composed of three republicans and one democrat.

R. Valentine is wise in declining to be a candidate for alderman in the Third ward as the democratic nomination in that ward only means certain defeat. However, Mr. Valentine errs when he says there are democrats among the republican candidates. Every republican candidate is a thorough believer in republican principles.

The fact that Democratic Candidate for Mayor Thoroughgood gives so strong an endorsement to Republican Candidate for School Commissioner Burnham, ought to give great comfort to Democratic Candidate for School Commissioner Lamb. But as "the winds are tempered to the shorn Lamb," perhaps it was all right.

While all must admit that S. C. Burnham is entitled to the praise given him by Democratic Candidate Thoroughgood, Candidate Lamb's friends are naturally angry at the idea that Democratic Candidate Thoroughgood should give praise—even if it be merited—to the opponent of a fellow democrat.

Of course Democratic Candidate Thoroughgood will have to vote for Republican Candidate Burnham—for whom he is pleased to say a good word—whether the other democratic candidates like it or not.

That Sherman B. Phelps would make an excellent alderman goes without saying, but Mr. Phelps is not the man to change his politics for the sake of running for office. He is a republican from principle.

Let us make a prediction—the business office of next mayor will be located on North Main street.

ELECTION NOTICE

OFFICE OF CITY CLERK, March 28, 1899.

To the Electors of the City of Janesville:

Notice is hereby given that a municipal election is to be held in the several wards and election precincts in the city of Janesville on the fourth day of April, 1899, at which the officers named below are to be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to this office, are given opposite the title of the office and under the appropriate party or other designation, each in its proper column, and the questions submitted to a vote are stated below:

Information to Voters.

The following instructions are given for the information and guidance of voters: A voter upon entering the polling place, and giving his name and residence, will receive a ballot from the ballot clerk, which must have endorsed thereon the names or initials of both ballot clerks, and no other ballot can be used. Upon receiving his ballot, voter must retire, alone, to a booth or compartment, and prepare the same for voting. A ballot clerk may inform the voter as to the proper manner of marking a ballot, but he must not advise, or indicate in any manner whom to vote for. The voter if he wishes to vote for all the candidates nominated by any party, should make a cross mark, X, under the party designation printed at the top of the ballot in the square made for that purpose. A ballot so marked and having no other mark, will be counted for all of the candidates of that party in the column underneath, unless the names of some of the candidates of the party have been erased, or a cross (X) mark be placed opposite the name or names of candidates in another column, and will be counted for all names written in lieu of one erased. If the voter wishes to vote for some of the candidates of different political parties he should make a cross mark, X, after the name of each candidate he desire to vote for. If he wishes to vote for a person for a certain office, whose name is not on the ballot, he must write the name in the blank space under the printed name of the candidate for the office. The ballot should not be marked in any other manner. If the ballot be spoiled it must be returned to the ballot clerk, who must issue another in its stead, but not more than three in all to any one voter. Five minutes' time is allowed in booth to mark ballot. Unofficial ballots or memorandum to assist the voter in marking his ballot can be taken into the booth and may be used to copy from. The ballot must not be shown so that any person can see how it has been marked by the voter. After it is marked it should be folded so that the inside cannot be seen, but so that the printed endorsements and signatures of the ballot clerks on the outside may be seen. Then the voter should pass out of the booth, or compartment, give his name to the inspector in charge of the ballot box, hand him his ballot to be placed in the box and pass out of the voting place. A voter who declares to the presiding officer that he is unable to read, or that by reason of physical disability he is unable to mark his ballot, can have assistance of one or two election officers in marking the same, to be chosen by the voter, and if he declares that he is totally blind he may be assisted by any person chosen by him from among the legal voters of the county. The presiding officer may administer an oath, in his discretion, as to such person's disability. The party designations and candidates for the different offices are as follows:

SUDDEN DEATH OF WILLIAM B. NOYES

STRICKEN LAST EVENING WITH
APOPLEXY.

His Demise Occurred at His South Jackson Street Home at Nine O'clock This Morning. Pioneer Resident and Well Known—Death of Mrs. Gilbertson.

William Braton Noyes died at 9 o'clock this morning at his home, 109 South Jackson street.

He was stricken with apoplexy last evening at 7 o'clock. His condition from the first was serious. Mrs. Noyes hurriedly sent word to neighbors and Dr. Q. O. Sutherland was summoned. Mr. Noyes continued to grow worse and soon after he lapsed into unconsciousness.

Mr. Noyes was about the house as usual yesterday and although he complained of not feeling well his condition was not such as to cause alarm. Later in the afternoon he complained of severe pains in the head, and towards evening his condition reached an alarming stage. Physicians were at the bedside until an early hour this morning, but they were only able to give temporary relief.

Death came almost without warning, the sufferer passing away as if in peaceful slumber.

Forty-three years ago, yesterday Mr. Noyes settled in Janesville and it was only yesterday that he retired with pleasure to his coming to the Badger state. On his arrival in the Bower City he took a position as bookkeeper in John P. Hoyt & Co's. bank which in the early days was located in the Lappin block, corner of Milwaukee and Main streets. After serving for some time in this bank he left and accepted a position in the Rock County bank.

From the banking business Mr. Noyes entered the employ of the Chicago, Milwaukee & St. Paul railroad company, acting for twenty years as their local agent. The Milwaukee road at that time had not gained a strong footing in this part of the state and the faithful service of Mr. Noyes did much towards the improvement of the road's business interests not only in Janesville, but through the southern portion of the state.

Ill health caused his retirement from active business and after twenty years of railroad service, he abandoned his position and sought to regain his health. After a prolonged rest he accepted a position as bookkeeper at the lower woolen mill, but again his health compelled him to seek rest. Of late years he has been engaged in real estate and other business enterprises that were less confining.

Mr. Noyes was born in New York City Jan. 11, 1836, and when a mere boy left for the west, settling in Janesville. On Oct. 10, 1858, he was united in marriage in this city to Miss Julia Ann Dano Page. Their only son died at Monroe in September, 1865, aged three years and seven months. Mrs. Noyes died and her remains and those of her son were laid in Oak Hill.

Funeral services will be held from the South Jackson street residence, Friday morning at 10 o'clock. Rev. R. C. Denison will officiate and the interment will be at Oak Hill.

On April 10, 1871, Mr. Noyes was joined in wedlock to Miss Amanda J. Larkin, of Madison, the ceremony being performed in the Capital City. His wife and one sister survive him.

For years Mr. Noyes was active in church work. He was a member of the Presbyterian church and was for some time superintendent of the Sunday school. His unquestioned probity and high sense of honor won him the esteem of all who were brought in contact with him, and expressions of sorrow were heard on every hand when the news of his death reached former business associates.

Mrs. Louis Gilbertson.

Mrs. Louis Gilbertson passed away yesterday morning at 11:30 o'clock at her home, 363 South Jackson street, after a long and painful illness of cancer of the stomach. Mrs. Gilbertson was fifty-seven years of age, and was the second wife of Mr. Gilbertson. Besides a husband, she leaves two children, a daughter, Mrs. Clara Stockman, of Edgerton, and a son, Martin Gilbertson, of Milwaukee.

The funeral will be held Thursday afternoon at 2 o'clock from the house and at 2:30 from the Norwegian Lutheran church. The interment will be in Oak Hill cemetery.

Mrs. Barbara Grishirt.

Mrs. Barbara Grishirt, of Edgerton, died this morning, aged eighty-two years. Mrs. Grishirt leaves three sons and a daughter.

Upon Filing Proper Release with the City Clerk, Approved by City Attorney, Releasing City From All Damages, Costs, Claims and Demands.—Towns Apportioned License Money

W. E. Evenson's druggist permit was transferred to W. F. McCue.

License committee was granted more time in considering application of James P. Shields for rebate of taxes. He claimed his tobacco was taxed both in Janesville and Harmony.

Mayor appointed Alds. McLean, Carpenter and Burhain a committee to look after election booths.

Ald. Kothman reported favorably on application of E. W. Lowell to erect a one-story brick building on North River street.

Committee was granted more time to report on application of D. K. Jeffris to erect building on the race.

A telephone was ordered placed in the residence of the street commissioner.

Mrs. Kate M. Smith was granted permission to move a barn on corner of Main and Racine streets to Ringold street.

An order was introduced and adopted directing the city marshal to enforce the ordinance requiring all sidewalks to be kept free from snow and ice.

Orders to the amount of \$10 and \$148.79 were ordered drawn on the city treasurer, payable from the general fund, being the amounts due the towns of Janesville and Fulton, respectively, as their shares of the license received from the Janesville Electric Light and Power Company.

An order was ordered drawn on the city treasurer for the sum of \$605, in favor of Edwin F. Carpenter, payable out of the judgment fund, upon his filing a proper release with the city clerk, approved by the city attorney, releasing the city from all damages, costs claims and demands arising out of the erection of buildings in Rock river.

Ald. Burhain stated that six or seven years ago when Mr. Carpenter commenced his building in the river the city issued an injunction and gave a bond of \$500 if it was not successful in its suit. Mr. Carpenter was shut out for over eleven months by reason of the injunction, and his damages with interest would have amounted by this time to \$2,500, but as he did not ask to have the amount of the city's bond raised, he could collect only the \$500.

An order was adopted directing the mayor to borrow \$2,000 and place the same to the credit of the general fund.

ANNUAL BANQUET OF TWILIGHT CLUB

"WAR" IS THE SUBJECT CHOSEN FOR DISCUSSION.

April 18th Date Fixed—Meeting Dignified by Name Banquet Because Ladies Are To Be Present—Rev. E. H. Pence Will Be Toastmaster—Special Music and Decorations.

"War" is the subject chosen for the annual banquet of the Twilight club April 18. The April meeting is dignified by the name of a banquet because the ladies are to be present. Without their gracious influence it would be merely a supper.

The topic selected by the committee is a significant reminder of the topic discussed at the April meeting a year ago. The topic then was "War." But that meeting was a meeting of foreboding. This meeting is to be a meeting of jubilation.

Rev. E. H. Pence will be toastmaster and special music and decorations will be provided. An illuminated invitation has been prepared in keeping with the character of the club.

Free Attention.

Are not a novelty with us, as we have maintained such an adjunct to our ready-made garments for several years, and its unequalled success can be attested by hundreds of ladies. For this season we will employ three experts in this line.

In regard to suits we again show styles that the fashion fixers have declared "right." Not a respectable suit want that cannot be instantly filled from this comprehensive gathering. Venetians, coverts, herringbones, broadcloths, serges, made in tight fitting, fly front or box front. Also with the new Eton jacket. Our suits range from \$3 to \$40, Archie Reid & Co.

Second Grand Opening...

Suits, Jackets, Capes, Silk Waists And Skirts.

Wednesday, March 29th.

Our opening last Friday was such an unqualified success that Mr. Lewis has offered to be with us one more day before Easter. He will have with him the well known line of "Beifeld" Garments for Ladies, and they will be offered for sale at a slight advance above wholesale cost.

The "Beifeld" Suits at \$10 are equal in workmanship to the best, however expensive, and in material and actual value better than most at double the price. The Jackets are lined throughout with satin; skirt lined with percaline and interlined; made strictly in the fashion. Their line of Silk Waists is second to none manufactured in this country. Their Jackets, Capes and Skirts are too well known to the ladies of Janesville for us to comment on.

We will also show a large line of FUR COLLAR-ETTES in new shapes. You are cordially invited to inspect this immense line of Ladies' Garments—Wednesday, March 29th.

NEWS FROM THE COUNTY.

Continued From Page 2.

ner is good. Lots here for sale; come and build. Why should not our village grow? In last week's issue of the Gazette appeared an outline of our village. We wish to add to the list a Methodist church with good membership and standing in the community, a gospel preacher, Rev. O. P. Christian, with services as follows: Preaching 10:30 a. m., Sunday school 11:45 a. m., model Junior League at 3 p. m., Epworth League at 6:45 p. m., Preaching 7:30 p. m. At these services you are all welcome. You will hear nothing of the sensational or Sam Jones order. The weather still holds cold and backward, evidence of a late spring. One year ago, the 24th of March, farmers in this vicinity were plowing. This year on that date was the heaviest snow fall of the winter. We will have the usual spring election roads this year as the roads will soon be almost impassable. Mrs. Henney, who was reported sick last week is very much improved in health. She is an old settler here and is now seventy-five years of age. Alex. and Jacob Wiggins, who have been on the sick list are again to be seen on our streets. Mrs. J. A. Newell, our popular reamery manager's wife, who has been ill nearly all winter, went to Whitewater, her former home last Thursday. James, Leehan and family, who have been sick, are again able to attend to their duties. Mrs. Mark Honeysett, wife of the late Mark Honeysett, of Janesville, left on the early train last Thursday for Reading, Pa. W. M. Ross and family after residing in Footville for eight years have taken their departure and moved to Janesville. Strang & Owen, our popular lumber dealers, are increasing their stock by an addition of eight car loads of lumber. Walter Honeysett has moved to our village, having bought the J. Dobson property. He intends building him a new house soon. D. W. Pepper is slowly improving from his illness. Master Leslie Townsend, of Janesville, is spending a few days with his uncle, T. Ogden. The public school closed March 24th for a week's vacation. Rev. O. P. Christian preached at the M. E. church at Magnolia, Sunday afternoon. He has been asked to continue to preach there Sunday afternoon during the summer. The Footville M. E. church and parsonage will receive three coats of paint soon as the weather will permit. Presiding Elder Pease held the second quarterly conference here March 23. He found everything in good condition and the pastor, Rev. O. P. Christian, paid up in full. We are glad to see Mrs. Webb J. Owen looking so well after a year of severe sickness. M. J. Kelly has rented the Kelly house, recently vacated by the late Mrs. Mary Kelly. Footville is a great place for preachers to select their companions for life. Of course this speaks well for our village. Mr. and Mrs. Judkins have moved into the W. J. Owen house recently vacated by Mr. Ross. Mr. Ross has rented the farm for the coming year and will board with Mrs. Judkins. Mrs. S. Stevens and Miss Anna Bailey went to Evansville Wednesday last to see their sister, who is very low and not expected to live. The exercises at the school Friday were exceptionally good. Footville has a few good elocutionists who will make their mark. Rev. O. P. Christian will preach the Easter sermon next Sunday at 10:30 a. m. Mrs. Dible, of Madison, returned home Monday, after spending a few days with her parents, Mr. and Mrs. Quimby, of Center. William M. Ross arrived in town Monday noon, after spending Sunday at his new home in Janesville.

Restoration of Wages.
Lawrence, Mass., March 23.—The promised restoration of wages at the Pacific worsted and cotton mills in this city went into effect Monday, 10,000 employees being affected. It is understood the increase is about 10 per cent. At the Atlantic mills the restoration also went into effect today. The company employs 1,200 persons. The amount of the increase varies in the different departments.

Socialist Party Is Divided.
Berlin, March 23.—At a socialist mass meeting held at Jena Herr Bebel, the socialist leader, said the socialists could gladly renounce the idea of a general revolution if the wealthy classes would treat the proletariat justly. He admitted there was a rift in the party and questioned how it could terminate; adding that if a split occurred now much ridicule of the party would arise.

"For years 'Orangeine' has proved a great blessing in my family."

Successor of Col. Egbert.
Washington, March 23.—The vacancy in the colonelcy of the Twenty-second infantry, caused by Col. Egbert's death, will be filled by the promotion of Lieut.-Col. John W. French of the twenty-third infantry, who is now with that regiment in the field in the Philippines.

The purity of "T. & T. Coffee" is one of the many excellent features that gives it such an immense sale.

Paris of Solomon's Temple.
The chapel of St. Helena at Bethlehem contains forty-four marble columns, which were taken from Mount Moriah and supposed to have been in the porches of Solomon's temple.

Chicago Live Stock Market.

Chicago, March 27.—Trade has opened with rather heavier receipts of cattle and hogs than anticipated and prices have declined slightly, some plain cattle dragging at lower bids and hogs selling weak to 5c lower, light pigs showing most decline. Sheep did not reach the high estimates made last week, and fully steady prices were paid for all good, fat offerings in that line. Opening receipts this week were 15,500 cattle, 37,000 hogs and 20,000 sheep. Many plain cattle were still dragging at a late hour and the vitality of trade was not particularly strong in any branch.

TO ABOLISH RUM TRAFFIC.

National Reform Party Calls a Conference at Pittsburgh, June 8.

Pittsburgh, Pa., March 28.—A call has been issued for a national conference of reformers who favor the abolition or suppression of the drink traffic and other reforms sought for by the people. The conference is to convene June 8 in Old City Hall, this city.

The object of the conference will be the extension of the movement and the selection of conferees to a similar conference to be held in Buffalo, N. Y., June 28 and July 4.

Women will have equal rights with the men in this conference. The call is issued by the national reform party conference movement, whose headquarters is in this city and is signed by the executive board.

Glass Workers Holding Out.
Alexandria, Ind., March 28.—The present strike at the American plate glass works, where 800 men have been out for the past month, has developed into a lockout. The factory owners are said to be anxious to break the union, and are filling orders with glass from outside factories. A number of strikers have applied for employment in plate glass factories elsewhere, but in each instance have met with refusal. Those remaining here are determined to fight to the end. The management cannot fill their places with other operatives, because none is to be had.

Zeitners Will Make a Fight.
Toledo, Ohio, March 28.—Everything is quiet at Hoytsville. Dr. W. S. Trichter, coroner of Wood county, held an inquest over both the murdered men, Westenhaver and Wittenmeyer. He decided that the Zeitners were responsible for both deaths. The Zeitners have employed attorneys and will fight for freedom. Westenhaver, the Zeitners say, had tried to rob them and they were not sorry for killing him.

John Collins Sentenced.
Topeka, Kas., March 28.—John Henry Collins, recently convicted of the murder of his father in this city on May 13, 1898, was on Monday sentenced to death by District Judge Hazen. The death sentence means life in the penitentiary, unless the governor shall sign his death warrant, which is not likely, as the law makes it optional with him. No Kansas governor has ever signed the death warrant.

Iowa Municipal Elections.
Des Moines, Iowa, March 28.—Municipal elections were held Monday in nearly all the cities of the state, the exceptions being those of the first class and those with special charters. There were very few sharp contests and political lines were not closely drawn, the issues being merely local. At Macedonia women voted for and carried a proposition for a city hall and jail.

Dawson Suffers from Fire.
Seattle, Wash., March 28.—Dawson's water front was again swept by fire on March 4. The flames started in a restaurant and burned fiercely until seven or eight buildings had been destroyed. Several persons were badly burned. The loss was \$14,300 on buildings alone.

Money for Methodist Schools.
Cameron, Mo., March 28.—At the Methodist mission conference here \$72,000 was pledged—\$50,000 for the endowment of the American university and \$22,000 for the Missouri Wesleyan college at Cameron. Bishops Hurst and McCabe were present.

Canadians Usurp Rights.
Seattle, Wash., March 28.—News comes from Skagway that Canadian officials are again seizing liquor being conveyed by American customs officers beyond the white pass.

Find More Fire Victims.
New York, March 28.—The fragments of three bodies were found in the Windsor hotel ruins Monday. The dead now number thirty-two.

Ambassador Choate Is Sick.
London, March 28.—Joseph H. Choate, the American ambassador, is confined to his room with a severe cold and has been obliged to cancel his engagements for the immediate future.

Woman's pains, so hard to bear, are quickly and safely relieved by "Orangeine."

Gen. Flagler May Recover.
Newport-News, Va., March 28.—Gen. D. W. Flagler, who has been critically ill at Old Point, has taken a turn for the better and he may recover.

STORIES OF THE STREETS.

Janesville Peopl. Are Talking About it on Every Corner.

It is sometimes an easy matter to fool the public, but you can't keep it up long. They are sure to find it out; and every time a man is fooled another skeptic is made. A skeptic is allowable when reading in a home newspaper about some incident occurring in San Francisco, Calif., or Maine, but the circumstances are entirely different when it refers to some one right here at home, friends and neighbors, people you know, whom you can see and with whom you can talk it over. This is the kind of evidence at the back of Doan's Kidney Pills—home statements by home people—and the astonishing local work they have been doing has caused more talk among our citizens than the doings of any other modern wonder. Read the following:

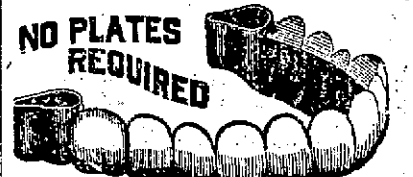

Mrs. N. J. Orsey, of 107 Prairie Ave., says: "Doan's Kidney Pills proved better than any other medicines I took for my kidneys. These organs troubled me off and on for some years. Backache was the chief symptom. It often caused me to suffer severely, and tried a number of remedies but continued to grow worse instead of better. I was finally persuaded to try Doan's Kidney Pills and procured a box at the Peoples' Drug Co's. store. I had only taken them a few days when I felt better. Should there be any recurrence of my trouble I shall use Doan's Kidney Pills in preference to any other medicine. They can be depended upon to relieve suffering from backache or disordered kidneys."

Doan's Kidney Pills for sale by all dealers. Price 50 cts. Mailed by Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name Doan's and take no substitute.
